

# Download OUR NEW CONFERENCE APP

The NCSLA App gives you access to everything you need to help plan and navigate this year's annual conference conveniently from your smartphone or tablet:

- Easily access speaker bios, event details and the most up-to-date schedule.
- Access maps, directions to and from the airport, a local dining guide and even check the weather.
- Connect with colleagues and access speaker surveys.
- Get real-time announcements and important updates.

## TO DOWNLOAD

Go to the App Store (Google Play Store for Androids) on your device and search for Guidebook.

When the Guidebook app is displayed, install the app on your phone. The installation process will take a few minutes.

Once the Guidebook app is installed, click the blue Guidebook icon that now appears on your mobile device's applications screen.

Tap on the "Enter Passphrase" button and enter NCSLA (please note, the passphrase is case sensitive - all capital letters).

When the NCSLA Conference App appears in the search results, click to select it.

Now, all NCSLA Conference information will be on your Guidebook app each time you click the Guidebook icon on you applications screen.
